

EBA study on cost of compliance with regulatory reporting:

UNDERSTANDING REPORTING COST AND OPTIMISING THE REPORTING REQUIREMENTS

MANDATE AND OBJECTIVES

Classify institutions into proportionality categories

Measure historical reporting costs in relation to EBA ITS on Supervisory Reporting

Assess if reporting costs were proportionate to the benefits

Assess the impact of reduction of reporting requirements and other measures on costs and supervisory effectiveness

Make recommendations on how to reduce reporting costs

Targeted cost reduction by 10% - 20%, at least for small and non-complex institutions

WORKING METHODS AND TENTATIVE TIMELINE
